APPROVED MENTAL HEALTH PROFESSIONAL: UPDATE AND REFRESHER ONE DAY TRAINING

Approved Mental Health Professionals (AMHPs) are essential for the implementation of the Mental Health Act 1983 (as amended by the Mental Health Act 2007). An AMHP is responsible for organising and coordinating assessments under the Act and, if required, act as applicants for admission and detention to a mental health hospital. All AMHPs are required to maintain their approval by accessing relevant training on an annual basis in order to achieve their eventual re-approval (See AMHP Regulations 2008).

This refresher course will provide a comprehensive update on case law, practice implications and national trends. The course will also examine the interface with other legislation, such as the Mental Capacity Act and the Human Rights Act.

WHO IS THE COURSE FOR?

Approved Mental Health professionals seeking to maintain their approval.

COURSE CONTENT

- *To provide an overview of the current use of the Mental Health Act and identify any trends in its implementation.
- *To update participants on any recent case law and possible implications for practice.
- *To highlight the interface with other legislation and identify how this effects the AMHP role.
- *To focus on aspects of the AMHP role which could include the assessment of risk; children and young people; people with a learning disability and people with a personality disorder and/or older people.
- *To explore clinical reflection and best practice in this area of work.
